What Are Daily Affirmations For Kids And Why They Are Important?

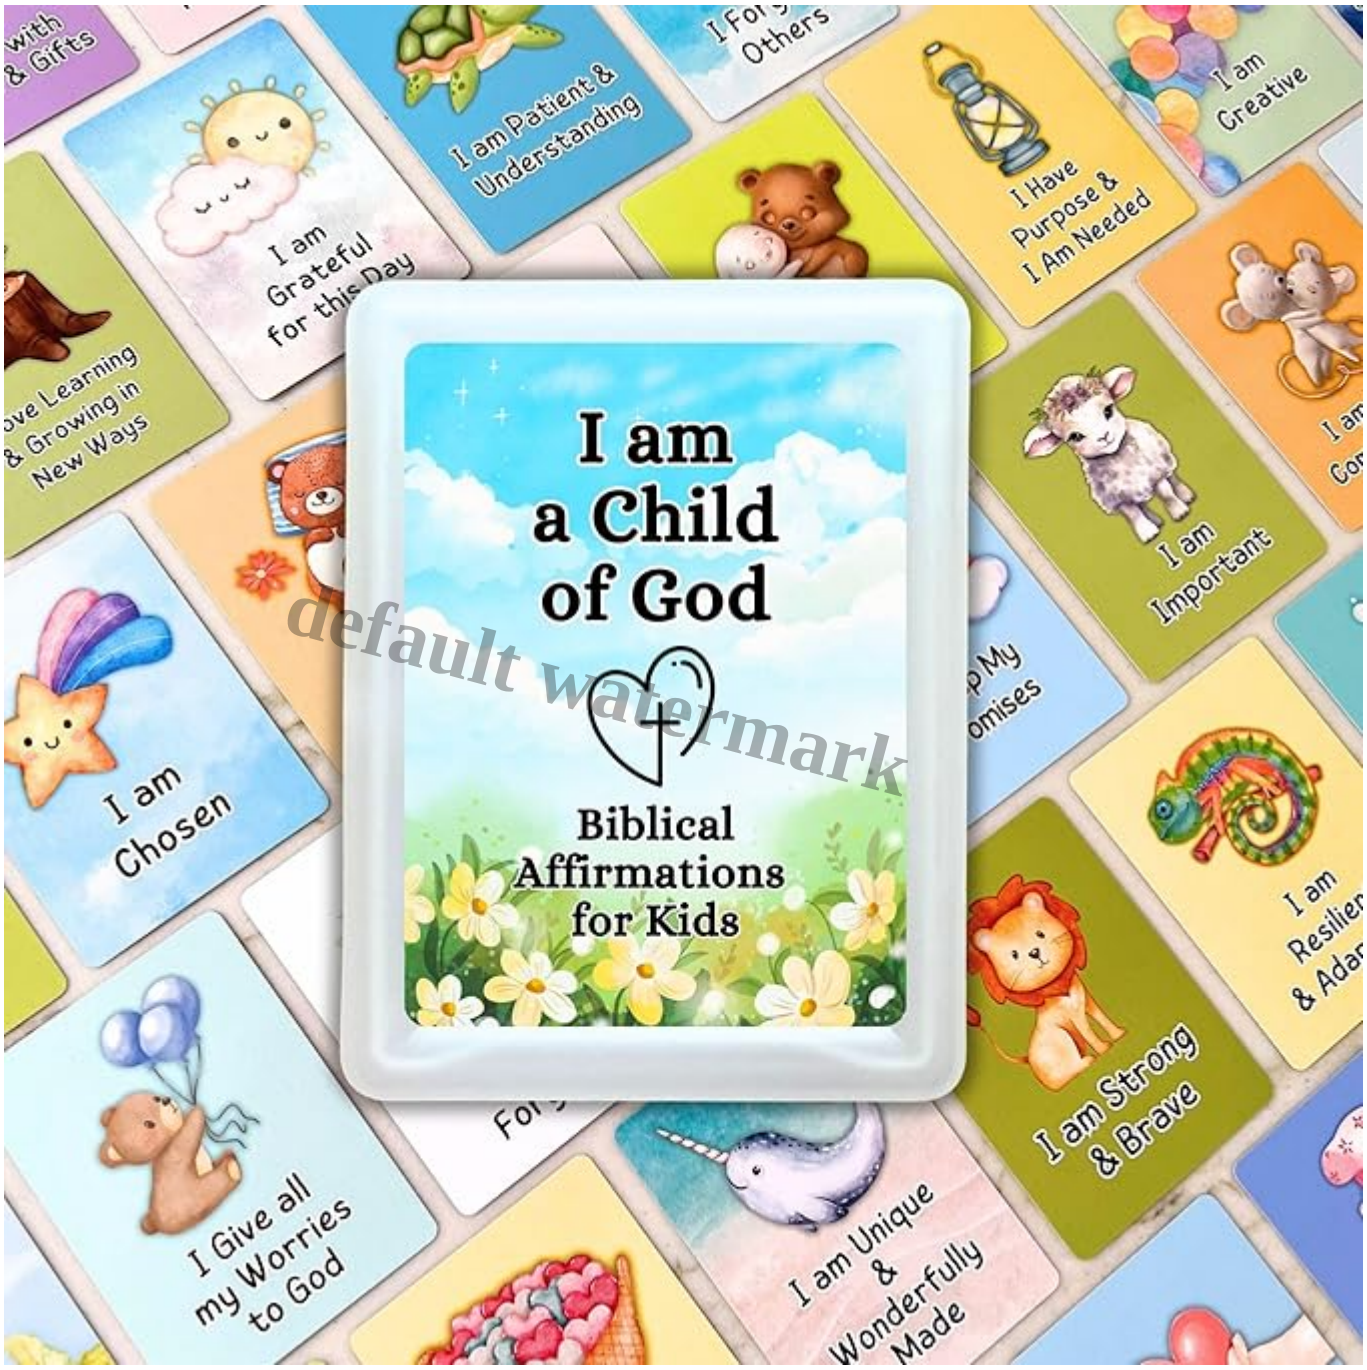

Daily affirmations are positive statements that are repeated everyday by kids. Having positive affirmations repeated helps to boost self image as we tend to believe what we are consistently told. Experts in the area of psychology often say that doing repetitions such as these positive affirmations have an effect on both the conscious and the unconscious state of mind. These are usually I am affirmations and can be used as morning affirmations.

It is believed that these affirmations for kids can improve grades at school, decrease disruptive behavior and make one more optimistic. Sometime kids can feel fearful or unloved or that they are not worthwhile but these affirmations for kids will help them to daily change these negative thoughts into positive ones. Our blog post on emotions can also help kids who may be struggling with strong emotions.

How To Do Christian Affirmation For Kids

You can do affirmations for kids in many ways. Each day both you and your kids can choose to write and also say these positive statements and watch the difference they make in your lives. You can also create a deck of positive affirmation cards that you can use. You can make these on your own or you can purchase these affirmation cards which are rooted in scripture, in kid friendly language to empower children to be their best selves! The kids can bring these cards to school with them or just use them at home.

You can also make these daily affirmations apart of your kids life by having them create artwork with these affirmations or if they are not crafty you could also purchase wall canvas art with positive affirmations like the ones here.

Young kids can practice their handwriting skills while also embedding these positive affirmations for kids within their being. They can use handwriting books like this one.

You can also read books which have faith-based affirmations such as â??I am valued,â?• â??I can follow Jesus,â?• â??I have God-given talents,â?• â??Jesus loves me,â?• and â??I can talk to God,â?• so your child can see themselves the way God sees them. One such book is I am a precious child of

God. It is ideal for children ages 3 to 8 and is an illustrated min devotional with faith based affirmations.
