Why Become A Member?

There are many places online where kids can find activities, but so often those resources are either too complicated, too shallow, or not grounded in Scripture. The Bible Activities for kids membership was created to meet a very real need: **faith-based learning that is fun, structured, and deeply rooted in biblical truth.**

When you become a member, youâ??ll get access to a continually expanding collection of resources created specifically for preschool and elementary children. Everything inside is designed to help kids learn about God in a way that feels natural and exciting â?? not like a chore.

Here are the major pillars that make the membership unique:

1. Kid-Friendly Bible and Bible Themed Stories

Our Bible stories are written in simple language kids can understand, while still staying faithful to Scripture. Whether your child is learning about Creation, Noahâ??s Ark, Moses, David, Esther, the birth of Jesus, or the parables of Christ, the stories are designed to teach biblical truths through pictures, storytelling, and short explanations.

Every story includes:

- A key Bible verse
- A simple summary
- A faith lesson or theme

These stories are excellent for bedtime reading, morning devotions, homeschool Bible time, or church use. Some of our story topics include:

Timmy and the talking parrot

Brave hearts

Never Trust Silas

Bellaâ??s Impossible Climb

Peanut Butter Prayer

Bella and the orange pumpkin

2. Bible-Themed Coloring Pages & Creative Printables

Kids LOVE to color â?? and coloring is one of the best ways to reinforce what theyâ??re learning. Members get access to printable coloring pages that match the Bible stories, themes, and characters introduced in the membership.

Coloring helps:

- Strengthen fine-motor skills
