Interactive Books For Kids

The first bible based toy that we will introduce are interactive books. Interactive books elements turn traditional storytelling into a multisensory experience. These books have elements such as flaps, textures, sounds, and other engaging components that make biblical stories come alive. These interactive books sometimes have songs which can also be engaging for kids. These interactive books are seen as Bible based toys as kids can play with the elements as they would with toys and have a ton of fun.

Examples of these interactive books include:

- â??**Bible Stories and Songs Interactive Electronic Take Along Storyteller with 11 Books (Little Sunbeams)â?•** by Carmen Crowe. This interactive book has a portable storyteller and music player device, 10 storybook hardcovers, and a songbook which will definitely keep the little ones engaged. This interactive book will help to strengthen **hand-eye coordination** and **fine motor skills.** Listening and reading along in this book will also help to support **vocabulary growth** and will help kids love books and reading while learning Bible truths.

- **â??Jesus Loves Me and Other Bible Songs â?? Christian Childrenâ??s Books with 6 Sound Buttons for Toddlers.** With this interactive book, kids can press the buttons to hear and sing along to five well-known Bible songs: Jesus Loves Me, Heâ??s Got the Whole World in His Hands, This Little Light of Mine, Iâ??ve Got the Joy, and Jesus Loves the Little Children. This will definitely engage the kids while helping learn bible themes such as the love of God.
- **World of Eric Carle, Around the Farm 30-Button Animal Sound Book â?? Great for First Words â?? PI Kids**. This book though it does not reference the Bible, it helps kids learn animal sounds. It has animal sounds such as cow, goat, pig, sheep, lamb, donkey, rabbit, cricket and many more. As the child pushes the buttons and hears the sound, parents can remind the child that God made all the animals. This book will provide a multisensory experience thus stimulating the imaginations of kids.

Interactive storybooks can serve as great Bible based toys as they will help children develop cognitively, will help with language skills, and with their understanding of the Bible.

Bible Puzzles For Kids
