Parents try their best not to have favorites but in the bible we have a story about a family that had a favorite son. Daniel in the Lions Den Bible Craft

It would be great if every kid learns the story about Daniel in the lions den. Daniel was a servant of God. There were some people who did not like Daniel so they got the king to make a law that everyone should pray to the king only. Daniel however chose to obey the God of heaven and he did not pray to the king instead he prayed to God three times every day as he usually did.

He was therefore thrown into a den with lions but the angel came and shut the lions mouth and Daniel was kept safe. This story is a great reminder that God takes care of his children. The story of Daniel can be found in Daniel 6. Teaching this story and doing an easy craft will helps kids remember the story of how God kept Daniel safe from the lions. You can choose to do use the craft kit to do the Dare to be Daniel Bible craft or Visit Becca Foxwell on fun365 for the free bible verse and tracer printables needed to make another Daniel craft. She has many wonderful step by step pictures for this craft.

Religious Celebrations Craft

Easter Bible Craft

One religious celebration that Christians have is Easter. Since Adam and Eve sinned, the world has never been the same again. The promise was however given that a a Savior would come to the world and pay the punishment of sin which is death on behalf of the whole human race. That Savior came in the form of Jesus who died for our sins so that whoever believes in Him will not perish but will have everlasting life as told in John 3:16.

Sometime between March and April some Christians celebrate Easter. Easter is a time when some Christians chose to celebrate the death of Jesus for our sins. The Sunday before Easter is known as Palm Sunday. This day is a reminder of when Jesus rode into Jerusalem on a donkey before he died for us. This story is found in Mark 11:1-3. You can read this story with your kids then do a craft about Palm Sunday. or you can focus on the resurrection and do the â??Easter-He Livesâ?• craft.

Christmas Bible Craft

Another time Christians celebrate is Christmas. This is a time when we remember that Jesus came to earth as a baby in preparation to die for our sins. The story of Jesusâ?? birth is found in Matthew 1-2 and nativity crafts help us recount this story. An angel came to a young woman named Mary and told her she would have a son who she would name Jesus and he would save people from their sins.

Mary was a virgin and wondered how this would be but the angel told her it would be a special conception. Though Jesus had to be born in a manger as the inns had no room, angels welcomed his birth and each year many Christians remember his birth in December by celebrating Christmas. If you Celebrate Christmas, at Christmas time you can enjoy fun Christmas craft with Ana at Mommyâ??s Bundle who has lots of angel crafts that you can choose from.

Baptism Bible Craft

Have you been baptized? If yes, do you remember what it was like? Were you excited? Were you scared? If you have never been baptized, have you ever watched a baptismal service? Well, from my experience baptisms are joyful experiences. Yes, another wonderful celebration we have as Christians is baptism. When someone gets baptized we celebrate that they have accepted Jesus as their Saviour and are about to begin a new life.

Just like when a baby is born and everyone is excited to meet this new person so its exciting when we get a chance to throw away all our old habits and behaviors and take on the new way of life that God wants us to have. When kids decide to give their hearts to Jesus, its also an exciting time for Christian parents as we all want our kids to know and love Jesus and be saved in his kingdom.

Jesus was baptized you can share the story with your kids and then do the Jesusâ?? baptism craft. As you share with your kids about baptism and new life in Jesus, you can visit the Ministry to Children website as they have some great craft activities for kids centered around baptism and the new life in Jesus Christ. We liked the simple bible craft idea of creating a baptism water drop decoration.

Religious Symbols and Themes Craft

Cross Bible Craft

The cross is a key element in Christianity. It reminds us of the sacrifice Jesus made on our behalf when he died for our sins and gave us a â??clean slateâ?•. If Christ did not pay the penalty for our sins once and for all, we would have to be killing animals still as they did in bible times. However Jesus came and ended the system of using the blood of animals in the process of obtaining forgiveness for sins. You can do cross Bible Crafts with your kids by coloring and designing cross book marks.

Prayer Bible Craft

Prayer is an all important element for Christians. This is the method we use to talk with God. Prayer is power. We are weak on our own but with Godâ??s strength we are made strong. When we pray we communicate with God and he is always happy to hear from his children in just the same way parents are always happy to talk with their own children.

Armor of God Bible Craft

We are in a constant battle. The bible tells us in Ephesians 6:12 tells us that we wrestle not against flesh and blood. So, since the war we face is spiritual we also need spiritual weapons. That is what the bible talks about in Ephesians 6:11-18 when it tells us about the armour of God.

It is important to put on the whole armor of God so that we can fight against the enemy. We need our breast plate of righteousness, our loins girt about with truth, our feet shod with the preparation of the gospel of peace, the shield of faith, the helmet of salvation and the sword of the Spirit. Teach your kids about the armor of God by doing craft. An easy craft to start with is the armour of God bible craft. Itâ??s a simple craft and its beautiful.
