His heart was filled with pain. So the Lord said, â??I will destroy all human beings that I made on the earth. And I will destroy every animal and everything that crawls on the earth. Bible In A Year For Kids: Week 4-Languages Of The World

Bible Verse: Genesis 11

â??Now the whole earth had one language and one speech. And it came to pass, as they journeyed from the east, that they found a plain in the land of Shinar, and they dwelt there. Then they said to one another, â??Come, let us make bricks and bake *them* thoroughly.â?• They had brick for stone, and they had asphalt for mortar. And they said, â??Come, let us build ourselves a city, and a tower whose top *is* in the heavens; let us make a name for ourselves, lest we be scattered abroad over the face of the whole earth.â?•

But the Lord came down to see the city and the tower which the sons of men had built. And the Lord said, â??Indeed the people *are* one and they all have one language, and this is what they begin to do; now nothing that they propose to do will be withheld from them. Come, let Us go down and there confuse their language, that they may not understand one anotherâ??s speech.â?• So the Lord scattered them abroad from there over the face of all the earth, and they ceased building the city. Therefore its name is called Babel, because there the Lord confused the language of all the earth; and from there the Lord scattered them abroad over the face of all the earth.â?•
