Benefits Of Doing A Word Search Puzzle

If I havenâ??t mentioned it yet, a great benefit of doing an Easter Word Search is to have fun as a family. Other benefits of doing an Easter word search puzzle as a family include:

- Bonding together. Do you remember that the family that plays and prays together stays together? Doing a puzzle will help the family spend some time together.
- Increases your kids vocabulary as they become exposed to new words. An Easter word search will increase their vocabulary surrounding Easter.
- It can improve spelling as you need to remember the spelling of the word as you search for it in the puzzle. A word puzzle will expose kids to more words linked to the Easter celebration.
- Knowledge is increased as some puzzles are thematic so the one can learn about the topic being addressed. Doing a word search will help kids learn more about what Easter is all about.
- Decreases screen time. The American Academy of Pediatrics says children should have less than 2 hours of entertainment based screen time per day. Doing a word search can help you meet this goal.
- Provides a sense of accomplishment. Have you ever completed a task and got that good feeling inside? Thatâ??s what will happen when you have successfully finished word search puzzles.
- Keeps the mental abilities sharp. It promotes visual memory development and mental agility.
