We are sharing with you five easy playdough homemade recipe ideas which will ensure you have a perfect playdough experience.

Why not try out a playdough recipe on a rainy or snowy day and then use it for a bible craft? We will be excited to hear about how you used the playdough recipe no cook; the playdough recipe without cream of tartar, the 3 ingredient playdough, the simple playdough recipe or our best homemade playdough recipe. Lets get â??playdoughingâ?• family.

How To Make Simple Playdough

This is a simple playdough recipe. You will need the following ingredients:

- 1 Â½ cups white flour
- 1 Â½ cups cornmeal
- 1 cup salt
- 1 cup water
- Food coloring

Put the dry ingredients in a bowl. In a separate container mix the food coloring with the water and then mix into the dry ingredients and knead until consistency is nice and flexible. There you have it your simple playdough.

What Is The Best Homemade Playdough Recipe?

Wondering what is the best homemade playdough recipe? This next playdough recipe is time tested and proven by many play dough homemade recipe makers so it is the best homemade playdough recipe. This homemade playdough recipe contains cream of tartar which helps the playdough to be soft and acts as a preservative so this homemade playdough lasts longer. The following ingredients are needed:

- 2 cups boiling hot water
- 2 cups flour
- 1 cup salt
- 2 tbsp cooking oil
- 4 tsp cream of tartar
- Food coloring gel (optional)

default watermark

Pour all dry ingredients into a large bowl then mix in the cream of tartar and then the oil. Add the boiling hot water and mix the ingredients until a dough is formed, please be careful as the dough will be hot. Once cool make a bowl in the middle of the dough using your gloved hands then drip the gel food colouring in and knead playdough until dye is thoroughly mixed and playdough is smooth. Store in airtight container for the best homemade playdough.

How Do You Make 3 Ingredient Playdough

Want a super easy playdough? How about a 3 ingredient playdough? 3 ingredient playdough? Yes; a playdough recipe that only requires 3 ingredients yes, a 3 ingredient playdough. The 3 ingredient play dough formula is listed below:

- 1 cup flour
- 1 cup water
- 2 cups oatmeal

Place the dry ingredients into a bowl and mix together while adding water slowly and mixing to make a dough. Place in an airtight container and keep refrigerated. Once done you have a 3 ingredient playdough. Isnâ??t this an easy playdough recipe? Absolutely! 3 ingredient playdough; way to go!

Playdough Recipe Without Cream of Tartar

default watermark

While cream of tartar is commonly found in the spices sections of grocery stores you may not have it when you are ready to make your playdough homemade recipe. So, if none of the previous homemade playdough recipes are ones you like, here is a homemade playdough recipe without cream of tartar that you may want to try. You will need:

- 2 cups water
- 2 cups flour
- Â½ cup salt
- 2 tbsp cooking oil
- 2 tbsp alum
- Food coloring (optional)

Place water, salt and food coloring in a pot and place on the stove. Boil these ingredients until they are dissolved. Turn off the flame and mix in the cooking oil and flour while liquid ingredient mixture is still very hot. Be careful as mixture will be hot. Knead playdough mixture until pliable. Store your playdough in an airtight container.

Playdough Recipe No Cook

We have given you some homemade playdough no cook recipes previously but here is another homemade playdough recipe no cook that you and the kids will like. Grab the following ingredients and lets go playdough no cook making!

- 1 cup cold water
- 1 cup salt
- 2 tsp oil
- 3 cups flour

- 2 tbs cornstarch
- Powdered paint

Mix together in a large bowl water, salt, oil and some powdered paint. Slowly add flour and cornstarch into the mixture until a bread dough consistency is achieved. Knead until smooth and store in an airtight container.

Playdough Kits

After you have used your playdough recipe to make your easy homemade playdough you will need some fun activities. If making homemade playdough recipes is really not your thing then you can always purchase play dough from the store such as this one here and still do the fun bible activities below.

You could purchase a playdough kit to add to a wonderful play dough experience.

Here are some bible activities for kids using your homemade playdough recipe or your store bought playdough kit:

Bible Activities Using Homemade Playdough

- Writing short bible verses by using the play dough to make letters of the alphabet.
- Telling bible stories for example you could tell the story of Noahâ??s ark and use playdough kits with animal templates for more fun with storytelling.

- Be a good Samaritan and give a playdough kit to someone who needs it.
- Talk about nature and that God made everything in nature while using playdough to mold things found in nature for example leaves.
