A Special Call To Pray For Your Children

We are living in troublesome times as the bible describes in 2 Timothy 3:2 some of the signs of the end and one was the disobedience of children to their parents. Disobedience has been a problem since the very beginning however if you take a close look you will realize that these days the degree of disobedience is at a high. We need to pray for our children that they will want to do what is right, that they will love God and his word and that they will choose Godâ??s free gift of salvation. These are some of the things we will be praying for in our Bible Activities for kids 30 days of prayer for our children. We are inviting you to join us in this special prayer emphasis.
