Preschool Bible Verses in Sign Language

Sign Language is a great life skill, and what better time to start learning it than the preschool years. Even if the kids donâ??t get the signs all perfectly, learning preschool bible verses is a great bible activity to do with kids. According to Healthline some of the possible benefits of teaching toddlers sign language include:

- earlier ability to understand spoken words, especially from ages 1 to 2
- earlier use of spoken language skills, especially from 1 to 2 years old
- earlier use of sentence structure in spoken language
- decrease in crying and whining in infants
- better bonding between parent and child
- potential IQ increase

Even though teaching sign language for preschool bible verses is a bit more specific, itâ??s possible that some of these benefits could be carried over. The Youtube channel Wright Ideas With Susan has a

sign language video teaching Roman 5: 11 â??God sent our Lord Jesus Christ to make peace with us.â?•
